## PROJECTS

### Crave Cart

*Mini Project : Food order booking website .*  
PHP

*Technologies : Html, Css , Javascript, Bootstrap,*

Developed a responsive food ordering website with user authentication, menu exploration, and dynamic item filtering for Veg/Non-Veg selections. Implemented cart management with quantity adjustments and an order confirmation process with location details. Integrated an admin panel for managing orders and deliveries.

### Personal Portfolio Website

*Miniproject :*

*Technologies : Html, Css, Bootstrap, JavaScript*

Designed and developed a responsive portfolio website featuring Home, About, Projects, and Contact sections with a resume download option. Integrated smooth scrolling, animated effects, and an interactive navigation bar to enhance user experience. Showcased skills and projects with a modern UI, ensuring accessibility and responsiveness across all devices.
